

DCA 2019 FIELD TRIAL - RV Reservation Form

- RESERVATIONS: RV parking and camping (car or tent) for the DCA Field Trials is available but is limited and MUST BE RESERVED IN ADVANCE.

- RV parking for the Field Trials will not start before 2:00 PM on Monday May 13, 2019.

- POWER: Limited power is available and preference will be given to committee members and judges. Be sure to bring sufficient length of extension cords to reach available power outlets. Power is only 15 amp so if AC is needed, RVs will need to run their generators, so be prepared to vent generators away from other campers.

- The ground is somewhat uneven in some places so campers should be prepared with sufficient leveling devices.

- Very large or complex rigs may have difficulty in navigating the dirt/gravel road leading to the grounds. If you have questions, contact the person below.

- All RVs must vacate the property following presentation of awards on Friday May 17, 2019

- Fees are \$20 per night for power and \$10 per night without power.

- Confirmation of reservation/payment will be made by e-mail if provided on this form.

Other nearby camping facilities include Cuivre River State Park. They allow dogs but individuals especially with large numbers of dogs should check with the Park to ensure they will be allowed to use the Park.
