This code is established with the realization that most individuals intend to do what is right. The purpose of the code is to set forth principles of practice that the DCA Board urges DCA members to observe as they strive to preserve the quality of the breed. The code represents the minimum in ethical practices as each member strives to promote and protect Dachshunds. The Board strongly supports this Code of Ethics and desires that all DCA members follow it as a minimum in good practice. Members are reminded that, according to the DCA Bylaws, charges may be preferred against a member by any other member(s) "for alleged misconduct prejudicial to the best interest of the Club or the Breed.
