

DCA TRIATHLON AWARD PROGRAM

Effective February 2022

The Dachshund Club of America understands that the events held in conjunction with our National Specialty are more than just conformation. In an effort to promote the entire dachshund and showcase the versatility of our breed, DCA is awarding Triathlon awards to the dachshunds which distinguish themselves in performance and/or companion events at the National Specialty. Any dachshund qualifying in three or more different performance and/or companion event categories plus the Triathlon Conformation Evaluation will be recognized by the DCA with a Certificate of Achievement. The highest combined scoring dog will receive the title "DCA Triathlon Dog of the Year".

SCORING OF THE EVENTS

Dogs may use the points earned from only one class or test per category. Obedience and Rally are combined to form a single category for Triathlon purposes.

The Triathlon Committee will select three judges to complete the Conformation Evaluation. (*Note: At least one of the judges must be approved by AKC to judge dachshunds*) The total judges' scores will be divided by the number of judges and rounded to the nearest whole number. Two or more judges rating the dog "Fail" will disqualify the dog from the Triathlon competition. AKC conformation Champions of record will automatically be granted 3 points and be exempted from the conformation evaluation process.
