

DCA Register of Merit Program

The Register of Merit Program is open to DCA member and non-member breeders and owners to permanently honor the Top Producers of our breed. The Register permanently identifies the Top Producers and can be used to enhance our Dachshund pedigrees.

Nomination Procedure

- Determine which of the merit level requirements your Dachshund has fulfilled
- Complete the application to include all required information. Send the application and information to:

Robert J. Wlodkowski
2710 Valley Farm Road
Waxhaw, NC 28173

- Quantitative and Qualitative information must be verified from AKC records before a Certificate is issued. Accurate information simplifies the verification.
- Please allow six (6) to eight (8) weeks for your Certificate to be issued.

Special appreciation is extended to Dan Harrison for the many hours of searching AKC records to validate the long list that is the foundation of our Register. When you see Dan, say Thanks! Currently, Ann Wlodkowski and Joyce Warren are doing the verifications. You may thank them too!

Do not hesitate to contact us if we can help in anyway.

Sincerely, Robert J. Wlodkowski
