DCA NATIONAL HOST SHOW AGILITY TRIAL

In order to participate in the DCA Trophy Plan this "Purchase Agreement" must be signed by an officer of the Club or the event chairperson and submitted with a check payable to DCA for payment for the club's expected trophy usage. This "Trophy Plan Purchase Agreement" **must be received by the Trophy Chairman at least 12 weeks prior to the event.** The Trophy Chairman has sole authority over the acceptance of late applications. Mail this completed Trophy Plan Purchase Agreement with payment to:

Sheila Parish, DCA Trophy Chairman, P.O. Box 17164, Urbana, IL 61803
Phone (217) 367-0959 Email: dcatrophies@hotmail.com

Directions:

- **Complete the attached order form. Use last year's DCA National Host Club Agility Trial entries as a guide for what to order. The number of gold-plated Dachshund pins ordered should equal the number of classes offered in the trial unless the club has donated items. Fill in the number of gold-plated dachshund on the order form.**
- Entries in Non-regular Agility classes do not count for determination of awards.
- If you are using any donated items, please note this on the order form. The use of donated items is acceptable. The trophy chairman simply needs to know that you have the needed items.
- Complete one order form for each separate event. **Do not combine events on one form.**
- Your order will be shipped to the address you supply. If you do not receive your order, contact the trophy chairman immediately.
- All supplies are sent by ground transportation to the address supplied by the club. Notify the trophy chairman immediately if any items were damaged in shipment. A damage report must be filed with the shipper by the chairman. You must return the damaged items and packing material to the trophy chairman within 30 days of shipment. If this is not done, damaged items will not be replaced.
- If you need additional items shipped for your event, notify the trophy chairman as soon as your entries close.
- A post show instruction letter will be included with each shipment. Please review and follow the instructions carefully. Immediately after your event, return all unused trophies to the trophy chairman.
- The difference in cost between the initial payment and the actual trophies utilized will be reconciled after your entries are reported to the trophy chairman. Costs for individual items will be adjusted when price reductions or increases are received from suppliers.
- Your club will be credited for any unused trophies valued over \$10. No bills will be sent or refunds made for amounts \$10.00 and under. The cost of return shipping of any unused items is strictly the responsibility of the purchasing club.
- **Payment of all outstanding monies due to DCA for "Trophy Plan Agreements" is required within 30 days of your event. No future orders will be shipped to clubs that owe money or have not submitted required reports and/or forms.**

By signing this agreement, the participating club agrees to abide by the terms of the DCA Trophy program. If a club does not comply with the terms of the DCA Trophy Program, DCA reserves the right to deny future applications.

I have read and understand the above instructions.
